ALLEGED "BIG" GAME IS RAIDED

Six are Caught by Monessen Police—Burgess Dunlap Swears Men to Names

HEAVY FINES ASSESSED

Monessen was the scene on Thursday morning of a raid on an alleged gambling den that was in a sense a companion raid to that at Charleroi made on Sunday morning at a place on Washington avenue. In the Monessen rail it is understood that some of the same men were captured who were caught at Charleroi.

Like the Charleroi raid the Monessen affair was sensational. Officers learned during Wednesday night of an alleged "big" game claimed to be in progress at the rear of 324 Donner avenue, in rooms occupied by Nick Carr, a Greek.

Policemen George Albright and James Acton, went to the place about midnight and made investigations. They could hear chips dropping in the upstairs room where play was believed to be in progress. Doors were locked.

After two hours work entrance was effected. Nick Carr and five others were arrested.

Carr immediately put up a forfeit of $50 to appear for a hearing and later failed to show up. Most of the party spent the remainder of the night in the Monessen lockup and Burgess Archie Dunlap on Thursday morning heard their pleas.

Names that had been given to the police were mostly false, it seemed. Burgess Dunlap surmised that much, and when the prisoners faced them, he began by asking their names. One of the first men he came to was one who had given his name as George Brown. Burgess Dunlap placed him under oath to swear that Brown was his right name. Then it is stated the man said his name was Abe Oppenheim, that he lived in Monongahela, and that it was his first offense. He plead guilty and was fined $25.

Tony Aposto, a Greek residing in Mcnessen received the same fine b ut lid not pay immediately.

John Hix was the name of another man on the docket, but he changed his mind and appeared under oath as J. C. Bush. It is rumored that he is one who was caught in theCharleroi raid for John Hix of Brownsville was the name given here. He was fined $25 and costs.

Earl Moore was the name of another who appeared on the docket as Charles Martin of North Charleroi. The same fine of $25 and costs was tendered him.

The last victim of the party to face Burgess Dunlap was a man who contended under oath and every other way that his name was Dick Black, and that he lived at North Charleroi. He was fined $25 and costs.

Several days ago Carr's place was raided and Carr was apprehended. He was fined $47 at the time. Burgess Dunlay has announced his intention of ridding the community of gamblers.

"PUT YOU OUT OF BUSINESS" WRITES BURGLAR TO PRIEST

When he returned from the regular Wednesday night services in the Slovak Catholic church at Monessen Wednesday night at 9 o'clock, Rev. Father S. Moravek, pastor of the church, found the parish house ransaked. The marauder left a note pinned to the door. It read:

"Say nothing about this. I will put you out of business."

Father Moravek turned the note over to the police. Two rings, a pearl handled revolver and $2 in cash were taken by the robber. Father Moravek is of the opinion that some one familiar with the house committed the robbery, since nothing was misplaced, the intruder going directly to the place where the valuables were kept.

KITTANNING TO BE IN LEAGUE

Change Effected in Makeup of Baseball Organization at Thursday Meeting

WEST VIRGINIA IS SAFE

At a meeting of the magnates of the new Pennsylvania-West Virginia Baseball League held Thursday in the Monongahela House at Pittsburg, Beaver Falls was dropped and Kittanning was added. Fairmont and Clarksburg were retained in the league, the owners of the ball parks there having come to satisfactory terms with the directors of the new league.

These towns had been slated to be dropped on account of the owners of the parks and the directors of the new leagues being unable to come to terms. Through the help of W. D. Evans of the Clarksburg club these differences were overcome however and these two towns will be retained in the league.

Following are the towns represented and the managers of the teams: Butler, Allan C. Hipple; Kittanning, C. D. Cassel; Charleroi, P. B. Wreath; McKeesport, H. A. McKinnon; Connellsville. Fred G. Paige; Uniontown, Robert Schwartz; Clarksburg, Hugh Shannon and Fairmont, George L. Needham.

The magnates will hold another meeting on March 20 at the McClelland House, Uniontown, at which time the salary question will be fixed and a 120 or 130 game schedule adopted. The season will open on May 20 and close on September 4.

Before they adjourned their convention in Pittsburg this week, the representatives of district No. 5 United Mine Workers, went on record as recommending and endorsing political action on the part of members of the organization. "Resolved, That the members of District No. 5, United Mine Workers of America, in convention assembled, go on record as favoring those candidates for public office who will pledge themselves to support the progressive laws advocated in the interest of the working people and the people as a whole such as workman's compensation, employers' liability, child labor and woman's labor laws, miners 'certificate bills. the initiative, referendum and recall and the recall of judicial decisions and that a list of these be submitted to all candidates for office."

It is stated that the resolutions were adopted without a dissenting vote.

On Monday, March 16, a meeting has been called at the borough building and Secretary L. J. Mitchell of the board has send out cards announcing it. Announcement will be made of new rules under which the association will work, and a start made for the poor work this year.

Membership in the association will consist primarily of contributors. All persons who contribute $2 or more in cash or appraised value of goods will be counted as members. One representative will be alloted to each church, lodge, factory, corporation, partnership, gathering o r association, assemblage of individuals or body of employes, school or society, which donates $5 or more. However it is necessary that some one be appointed as a representation from each organization.

Ex-officio members of the charities association will consist of the burgess, president of council, president of the school board, president of the board of health, president of the school board, president of the board of health, president of the Charleroi Business Men's association, president of the Central Trades council, president of the ministerial association, editors of local newspapers, superintendent of schools, chief of police,chief of the fire department, heath officer, and all members of tte board of directors of the Associated charities.

By the new arrangement it is designed to give thorough representation to all people on the charities board, this being the primary object.

TRADE TEAMWORK

Much is printed nowadays in the high class magazines regarding trade teamwork. The trend of business is for small business concerns to get together and work in harmony, even though they are competitors, instead of knocking one another, cutting prices and demoralizing trade conditions generally. This matter of teamwork was first learned by the big corporations, who saw the value of getting together and fixing prices, distribution, output, dividing territory, and controlling the market generally. While in many instances this was carried to excess at the expense of the public, it was also learned that rational control and regulation of trade conditions was eminently more conducive to the welfare of the public than reckless, cut-throat competition.

Now this mode of operation is recommended for small tradesmen. In spite of the general belief to the contrary there is more waste and extravagance in competition than in rational regulation. The sort of teamwork recommended is not a hard and fast agreement as to prices, nor a division of the trade. It is simply friendly relations and intercourse of the business people who by getting together learn actual conditions and can base their action accordingly. Many small business proprietors are ignorant of trade conditions in certain circles, and the object of the teamwork is to become conversant with the general things every business man ought to know. By doing so better service can be given to the public.

Some business people let others do all the advertising that attracts people to town, while others sit down and wait between seasons for the busy season. By doing teamwork dull periods can be eliminated entirely. Business people can teach one another how to do this, and it is infinitely more profitable to individual and community than going it alone in the old way.

Another Wedge in the Profit System

The municipality of Chicago is planning a chain of publicly owned stores through which it intends to sell goods to the needy unemployed at cost. We wonder why if municipal stores are good for the unemployed and if they reduce the cost of living so that the unemployed man can live, if they are not good for all the people.

Charleroi has had its publicly owned store for many years, and none of us has been taxed unwillingly for its establishment. It sells goods not only to the needy unemployed, but to all the people. The Co-Operative Store has reduced the cost of living to such an extent that many commodities are sold at retail today as cheap as the small retailer can buy from the wholesalers.

Charleroi is well ahead of our western metropolis—The Co-Operative Way.

FRECKLE FACE

Now is the Time to Get Rid of These Ugly Spots.

Do you know how easy it is to remove those ugly spots so that no one will call you freckle-face?

Simply get an ounce of othine, double strength from your druggist, and a few applications should show you how easy it is to rid yourself of freckles and get a beautiful complexion. The sun and winds of February and March have a strong tendency to bring out freckles and as a result more othine is sold in these months. Be sure to ask for the double strength othine as this is sold under guarantee of money back if it fails to remove the freckles.

CHRONIC COLDS

Are Contracted by Changeable Weather. A Simple Remedy.

Sudden changes are particularly trying for old people or those who suffer from a weakened, run-down condition, chronic coughs, colds or bronchitis, but if such persons would only apply common sense methods in the treatment of their condition, much discomfort and suffering might be avoided.

The most essential thing to do is to build up strength, enrich the blood, increase vital resistence and to accomplish this nothing equals Vinol, our cod liver and iron tonic.

Mrs. M. J. Grimes of Springfield, Ohio, says: "I was badly run-down, nervous and weak and while in this condition I contracted a heavy cold and rheumatism. Vinol was recommended and I am happy to say it cured my cold and restored me to health again."

Old people, delicate children, run-down, overworked and tired women, those suffering from bronchitis, chronic coughs and colds should try a bottle of Vinol. We will return your money if it does not help you. Piper Bros., Druggists, Charleroi, Pa.

P. S.—For Eczema of Scalp try our Saxo Salve. We guarantee it.

ORRINE

FOR DRINK HABIT

So uniformly successful has ORRINE been in restoring the victims of the "Drink Habit" into sober and useful citizens and so strong is our confidence in its curative powers, that we want to emphasize the fact that ORRINE is sold under this positive guarantee. If, after a trial, you get no benefits, your money will be refunded. ORRINE costs only $1.00 per box. Ask for Free Booklet.

PHYSICIAN MAKES SDRONG STATEMENT

Dr. H. E. Allanach, celebrated bacteriologist, who is well known locally in an interview recently in regard to the new tissue builder and catarrh remedy, Vin Hepatica, which is being introduced in the United States by Lieut. Ballard the retired army officer and which is now being sold exclusively by Piper's Pharmacy in Charleroi said:

"I do not as a rule, recommend any proprietary preparation, but in the case of this new remedy, Vin Hepatica, I unhesitatingly endorse it for affections of the mucous membrance, commonly called catarrh. After examining the formula, I have prescribed it in my personal practice, and have always found it effective and to give beneficial results."

We are anxious to have one of these fine bowls in every home in the Valley, but owing to the great cost, not more than one to a family, none will be given to children, and none will be given with less than a 25c purchase.
